Since the founding of the Winkler Bible School, many students have received a Christian training in this institution, and are now serving in various fields at home and abroad. The Lord has blessed the endeavours of this institution in the past. As we relocate to a new campus site, we pray that God's benediction will continue to rest upon the work of the School.

OBJECTIVES

The Objectives of the Winkler Bible School are:

- to teach the Word of God
- to foster the deeper spiritual life
- to make a personal commitment to Jesus Christ
- to encourage consistent Christian living
- to promote an expressional program for effective Christian service

— in the home

— in the Sunday School

— in the church

— in the vocation

In Brief: Our philosophy of Christian education may be expressed in the Words of our Lord and Saviour, Matthew 28:20—“*Teaching them to observe all things whatsoever I have commanded you.*”

Statement of Faith

- We believe in one God, eternally existing in three persons: Father, Son and Holy Ghost.
- We believe that Jesus Christ was begotten by the Holy Spirit, born of the virgin Mary, and is true God and man.
- We believe that man was created in the image of God: that he sinned, and thereby incurred, not only physical but also spiritual death which is separation from God.
- We believe that the Lord Jesus died for our sins as a substitutionary sacrifice, and that all who believe in Him are justified on the ground of His shed blood.
- We believe that each individual must experience regeneration, being born again of the Holy Spirit by faith in the Lord Jesus Christ, thereby becoming a child of God.
- We believe in the bodily resurrection of our Lord, in His ascension into heaven, and in His present life for us, as High Priest and Advocate.
- We believe in the bodily resurrection of the just and the unjust, the everlasting blessedness of the saved, and the eternal punishment of the wicked.
- We believe that the individual who lives in sin and does not repent cannot inherit the Kingdom of God.
- We believe in the plenary inspiration of the Bible as the final authority in faith and life.
- We believe that the Church is a body of believers whose responsibility it is to witness by life and word to the truth and to proclaim the gospel to all nations.
- We believe in the pre-millennial return of Jesus Christ.

CAMPUS FACILITIES

● LOCATION

The Winkler Bible School is located in the town of Winkler, in Southern Manitoba. It is approximately 80 miles southwest of Winnipeg. Daily bus service between Winkler and Winnipeg is maintained.

● THE ADMINISTRATION BUILDING

We are gracious to the Lord for the new facilities which are to be in full use for the fall term of 1964. The new Administration Building is to contain four spacious classrooms, a library, chapel, offices and recreational facilities.

● DORMITORIES

- A new Ladies' Dormitory is to be built on the new school campus and is to be in use for the current school year. It will accommodate 32 ladies.
- Another Ladies' Dormitory accommodating 15 ladies is located on 10th Street.
- The third Ladies' Dormitory is on Pembina Avenue and accommodates 9 ladies.
- The Men's Dormitory is located on Pembina Avenue and has adequate facilities for 40 men.

CAMPUS LIFE

● CHAPEL SERVICE

The daily chapel period is a source of inspiration and edification. Guest speakers, teachers and senior students minister to the student body. It also affords an opportunity for the musical groups and ensembles. Students are required to attend all chapel services unless officially excused.

● PRAYER MEETINGS

Our School thrives on prayer. In view of the great importance to develop regular and systematic habits in devotions, the school offers its students:

- daily private devotional periods
- daily morning devotions at school
- weekly prayer meeting for men
- weekly prayer meeting for ladies
- weekly missions prayer meeting
- weekly class prayer meeting

● BIBLE AND MISSIONARY CONFERENCE

Since there is a great need for Biblical emphasis and missionary expansion, the school has introduced this annual conference which usually lasts three or four days. Bible expositors and missionaries from the homeland and abroad serve the school and its friends. Teachers and students take an active part in the conference. This annual conference has stimulated and strengthened the interest in God's Word and in the cause of missions, it has challenged believers to put forth greater effort for the cause of the Lord.

● ORATORIO PERFORMANCE

The school choir presents a cantata or oratorio annually. Plans this year include a presentation of Handel's Messiah. Singers from the community are invited to join the choir for the performance.

● ALUMNI ASSOCIATION

Besides taking a keen interest in the welfare of the school, the Alumni sponsors a summer and winter rally. This year's Homecoming Rally is scheduled for November 11, 1964.

CAMPUS ACTIVITIES

● Students Standards

All students are obligated to maintain a high standard of Christian conduct as is becoming of Christian men and women. Questionable amusements, card playing, dancing, theatres of any kind, use of tobacco and intoxicants are prohibited. The students are further expected to submit to spiritual admonition, exhortation and correction. The school reserves the right to dismiss any student who will not conform to the spiritual and ethical standards of Christian conduct as accepted by the school.

● Practical Work

A supervised practical work program is an integral part of training offered by the Winkler Bible School. The students are urged to engage in some form of Christian activity during their training period. The activities are the following: visitation in the hospitals and in the homes for the aged, personal work, Sunday School teaching, house visitation in homes of the poor and the sick, weekly evangelistic services in school and surrounding areas, programs in school districts, mission stations and churches.

● Gratis Work

Besides their missionary activities, the students are also required to give some of their time to the school for services which will be arranged by the student supervisors. This arrangement fosters the spirit of cooperation and sacrificial service, making diversion possible and helps to reduce the operating cost of the school. This type of work has been carried on by the students for many years and has worked out satisfactorily.

● Publication of the School

Every year the students, under the supervision of the faculty, produce a yearbook, which gives a general review of all activities and life of the school. Frequently the news or reports of the school are published in some of the local papers.

● Student Organization

The following committees plan the students' activities:

- Christian Service
- Yearbook
- Music
- Library
- Literary
- Recreational and Social

Each Committee is composed of a staff advisor and students elected by the student body at the beginning of each school year.

● Admission of Students

The school accepts students of approved Christian character. A student must fill out an official application form and return it to the school. Credit will be given for Bible Courses completed at other recognized schools. Students who have completed Junior or Senior Matriculation will be admitted to the Second Year Program.

● Graduation of Students

Upon completion of the General Bible Course a student is eligible to receive the School Diploma. Students who expect to graduate, must give evidence of Christian character, soundness of doctrine and they must also satisfactorily complete the prescribed courses from which they expect to graduate.

● Requirements for the Evangelical Teacher Training Association
